

2023

WELCOME TO THE MASTER KEY PRINTING SERVICES LTD.

Founded in 2005, the Master Key Printing Services Ltd. specialises in both Off Set and Wide Format printing.

Our sales centre located in Cunupia is staffed by our dedicated associates ready to assist your needs by working with you to provide you with peace of mind knowing that your printing request will be fulfilled hassle free.

At our one stop print shop, our products are always inspected to ensure high quality that is defect-free, delivered to you in a timely manner.

From concept to layout, to printed completion, we expand your advertising and marketing brand through consistency, quality and creativity. So no matter how big or small you are, let the trained experts at Master Key *Printing* Services Ltd help your brand shine.

You can also browse around our site to see all that we do.

Minute Maid. Real, like you're at home.

What is taking so long?

Understanding Emergency Department Triage Process & Wait Time

An Medical Associates's triage system is utilized during the patient's admission, when the demand for services is greater than the number of available resources. It is a triage system, not a medical triage system. It is a triage system, not a medical triage system. It is a triage system, not a medical triage system.

Medical Associates Triage Coding System
This coding system helps Emergency Staff prioritize our patient's needs.

| | | | | |
|--|---|--|--|--|
| LEVEL 1 | LEVEL 2 | LEVEL 3 | LEVEL 4 | LEVEL 5 |
| The patient is asymptomatic or experiencing a condition that can be treated in the waiting area. | The patient shows signs of distress or is experiencing a condition that can be treated in the waiting area. | The patient is stable, but has injuries that need medical attention. | The patient is stable, but has injuries that need medical attention. | The patient is stable, but has injuries that need medical attention. |

Each patient is important, and we do our best to ensure everyone is seen timely.
